## Summary

Driven and meticulous Front-End Developer with a keen eye for detail and a passion for creating sophisticated user interfaces. Committed to leveraging modern web technologies to enhance user experience and drive project success.

## Skills

- Front end:** HTML5, CSS3, JavaScript, Vanilla JavaScript, ReactJS, ExpressJs, Tailwind, Bootstrap
- Soft Skills:** Communication, Adaptability, Researching, Troubleshooting, Collaboration, Leadership
- Tools:** VSCode, Git, GitHub, MongoDB

## Professional Experience

### MySpot - Spotify Clone ([Link](#))

June 2024

**Tech Stack:** HTML, CSS, JavaScript

- Developed a dynamic music player using JavaScript** to enable interactive features like play, pause, and volume control, enhancing user engagement.
- Designed a responsive and visually appealing UI** inspired by Spotify's modern aesthetic, ensuring seamless performance across mobile, tablet, and laptop devices.
- Built and integrated comprehensive frontend components** such as albums, seekbar, volume control, and time lapse, contributing to a rich and interactive user experience.

### TextUtils - Text Editor ([Link](#))

May 2024

**Tech Stack:** HTML, CSS, JavaScript, ReactJS

- Developed and maintained** a responsive user interface with intuitive navigation, enhancing user experience across desktop and mobile devices.
- Implemented text formatting features** using JavaScript, enabling functionalities such as reverse, copy, uppercase, and lowercase conversions.
- Executed comprehensive testing and debugging** to ensure cross-browser compatibility and an error-free application, improving overall performance and reliability.

### News Monkey - News APP

April 2024

**Tech Stack:** HTML, CSS, JavaScript, ReactJS, NodeJS, API Integration

- Improved user experience** by implementing features like category selection and pagination across diverse news categories.
- Applied advanced JavaScript techniques** such as debouncing and throttling to enhance responsiveness and performance.

## Education

### Chandigarh University

B.E. in Computer Science and Engineering (2020 - 2024)

65.7%

### New Happy Public School, Bilaspur

12th class (2019 - 2020)

79.2%
