Summary

Motivated and detail-oriented ***Frontend*** developer with a strong foundation in web development. Eager to contribute to dynamic teams delivering creative ideas.

Skills

- **Front end:** HTML5, CSS3, JavaScript, ReactJS, Redux, NextJS, Bootstrap, Tailwind
- **Backend:** NodeJS, ExpressJS, Mongoose
- **Tools:** VSCode, Git, GitHub, MongoDB
- **Soft Skills:** Ability To Learn, Communication Skills, Researching, Troubleshooting, Work Well Under Pressure

Projects

MySpot - Spotify Clone (Link)   June-2024

Tech Stack: HTML, CSS, JavaScript

- Integrated JavaScript for dynamic content rendering and user interactions and created a functional music player with play, pause and volume controls.
- Designed a visually appealing UI replicating Spotify's modern aesthetic and designed responsive design for Mobile, Laptop and Tablets.
- Built comprehensive components like Albums, Seekbar, Volume button and Time lapse.

TextUtils - Text Editor (Link)   May-2024

Tech Stack: HTML, CSS, JavaScript, ReactJS, NodeJS

- Developed a user-friendly interface with intuitive controls and easy navigation and ensured a responsive web design for optimal performance on various devices.
- Implemented JavaScript for creating text formatting features including reverse, copy, uppercase and lowercase.
- Conducted thorough testing and debugging code to ensure a seamless and error-free application.

News Monkey - News APP   April-2024

Tech Stack: HTML, CSS, JavaScript, ReactJS, NodeJS, API Integration

- Optimized application performance by using React's virtual DOM and minimizing re-renders and managed application state using React hooks and context API.
- Enhanced user experience with features like category selection across various news categories and pagination.
- Integrated news API to fetch and display real-time news updates.

Education

Chandigarh University
B.E. in Computer Science and Engineering (2020 - 2024)   *65.7%*

New Happy Public School, Bilaspur
12th class   (2019 - 2020)   *79.2%*
10th class   (2017 - 2018)   *72.7%*

Awards and Certificates

- Programming Foundations with HTML,CSS and JavaScript certificate from Coursera.
- Earned a Software Testing Examination certificate from NPTEL
- Earned a Data Mining Examination certificate from NPTEL
